APPLICATION FOR ADMISSION TO ST PETER'S PRIMARY SCHOOL

NOTICE TO PARENTS WISHING TO APPLY FOR A CHILD'S ENTRY TO SCHOOL IN SEPTEMBER 2021

This is an advisory note for those parents who have children who will be starting school in 2021 and who wish to send their children to St Peter's Primary School.

It is possible, if you and your child have a connection to church via regular ongoing attendance at church and Junior Church, to have some support from this church with the application process.

We may be able to give you a letter of support which you can take direct to school at the time of your application which might assist the securing of a place.

Please will you refer to the school's website <https://www.st-petersce.co.uk/> for further information about this. In essence you and your child need to be able to prove that you have attended Junior Church regularly (at least twice a month) during the year preceding application. This means that you will need to start attending in January 2020 for entry to school in September 2021.

Please will you also pass this information on to your friends with young children to whom this information may be of interest

If you have any queries please ask the Junior Church leader for further information or speak with **Susan Lister, Churchwarden**.
